Price: **€1.83** gross
Manufacturer: Klemp

Referention number: 6080Z100A

Information:

Our steel saddle clamp are electrolytically galvanized and therefore rust-resistant. These so-called single-lip cover brackets are available for tube sizes from 21.3 mm up to 48.3 mm. Extremely suitable for mounting blades on a tubular frame base. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.

The size of the discount

Quantity	Discount	Spare
120	5%	above €10.98
240	7.5%	above €32.94
