Price: **€12.77** gross

Manufacturer: Klempl

Referention number: 6080Z11D

Information:

Square base plate. Use this tubefitting for positioning constructions. Due to the shape of the base plate, it can be fixed nicely on a surface at a 90° angle. Do not use it as a base for supporting safety railings or similar constructions. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
