Price: **€4.82** gross

Manufacturer: Klemp

Referention number: 6080Z02A

Information:

Short Tee. Provides a perpendicular connection between two tubes. Top fitting for straight and level railing uprights. This fitting cannot be used to join horizontal tube within the fitting. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
