Price: zł15.75 gross

Manufacturer: Klemp

Referentiation number: 6080Z64B

### Information:

Coat hook. Hook 90°. Similar to tubefitting type 61, but better suited for making coat hangers and the like. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
