Price: **€8.43** gross

Manufacturer: Klemm

Referention number: 6080Z50

Information:

Swivel Base Plate (Unisize). For fixing structures to wall or floor, usually used with Type 42. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
