Price: **€31.00** gross

Manufacturer: Klemp

Referention number: 1_PR_VASCO-PS-DZ

Information:

The Vasco collection is most often chosen by our customers due to the exceptional thickness of individual strips. The Vasco series is a simple form that greatly facilitates interior arrangement. Lamellae fit most arrangements. The panels are available in three shades of wood. Due to the clear three-dimensional nature, they are very often mounted not only on the walls, but also on the ceiling, which perfectly delineates the zones in the room.
