Price: **€27.37** gross

Manufacturer: Klemp

Referention number: 1_PR_ASTI-PS-DZ

Information:

The Asti collection is characterized by a small width of the slats. Thanks to the fine cross-section of the Asti series, you will give your wall extraordinary lightness and a modern character. The whole is subtle in reception, which is why it is often used especially in smaller rooms. The collection is available in three colors, so the panels from this series can be easily adapted to interiors in warm and cool colors.
