Price: **€10.40** gross

Manufacturer: Klemp

Reference number: 6080Z18B

Information:

Three Way Top Corner. Corner joint (90°) clamp used for top rail corners and any other rectangular system. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
