Price: **€12.90** gross

Manufacturer: Klemp

Referention number: 6080Z34E

Information:

Handrail Support. For fixing handrails and structures to walls. Another big plus of the black coating is, that the color gets into the material really deeply, which prevents the connectors from corroding too quickly. The paintwork is not resistant to UV radiation and is therefore not suitable for outdoor use. The tubefittings are equipped with black colored stainless steel adjusting screws with cutting edge.
