Price: **€890.00** gross

Manufacturer: Klemp

Referention number: OG-MOD3

Information:

Professional Street Workout Park / Outdoor Gym.

Steet Workout set made of high quality steel. Large set thanks to which your garden will turn into an open gym. Use all the available modules! You can climb the ladder, do dips, crunches, push-ups, exercise your shoulder and back muscles. Pull yourself up on a bar in a narrow or wide grip. Take advantage of barbell racks - put a bench and exercise with a barbell. You can also limit your exercises to calisthenics only and exercise with your own body weight. Street workout is a very fashionable sport. With the Steel Calisthenics Set, exercising outdoors will be a pleasure.
