Manufacturer: Klemp

Referention number: MD014

Information:

The MD014 skirting board measures 200 x 8 x 1.4 cm and is made from PolyForce material, which is resistant to moisture and UV radiation. It does not yellow or swell when exposed to water. The ScratchShield® technology enhances the surface hardness, providing resistance against scratches from tools. The profile allows for the concealment of wires and the aesthetic masking of expansion gaps. It is designed for installation in areas exposed to moisture, such as kitchens and bathrooms. Installation is recommended using mounting adhesive.
