Manufacturer: Klemp

Referention number: MD028

Information:

The MD028 skirting board, measuring 270 cm, is made from waterproof PolyForce material, resistant to moisture and mechanical damage. The ScratchShield® technology enhances the profile's hardness, providing protection against scratches and impacts. Subtle milling at the top gives it a minimalist appearance. A special space within the profile allows for hidden cable management. Its smooth surface features a protective coating, ready for painting with water-based paints. Designed for installation in residential areas, including bathrooms and kitchens.
