Referention number: MD030

Information:

The MD030 skirting board is a multifunctional mounting profile that can be used as a wall, baseboard, or ceiling trim. Equipped with LightGuard technology, it ensures even light distribution and eliminates the effect of LED light bleed-through. ScratchShield technology enhances scratch resistance by maximizing surface hardening. The trim is fully waterproof, making it suitable for use in humid areas like bathrooms. The product features a perfectly smooth, white coating that allows for precise paint application without streaks or discoloration.
