Information:

The MD032 skirting board is made from durable PolyForce material, known for its high resistance to moisture, UV radiation, and mechanical damage. The ScratchShield® technology enhances the surface, providing increased hardness and scratch resistance. Its minimalist, geometric profile allows for the aesthetic concealment of cables and wires. The skirting board is waterproof, does not absorb moisture, and does not expand, making it suitable for installation in areas with high humidity, such as kitchens and bathrooms.
