Information:

Skirting board MD094 features a classic profile enhanced with decorative milling, designed to cover expansion gaps and provide an aesthetic transition between the floor and the wall. Made from PolyForce material with enhanced resistance to moisture and UV radiation—ensuring it won't swell, fade, or lose color durability. The ScratchShield® technology increases resistance to scratches and minor mechanical damage. The skirting board comes factory-coated with a primer to facilitate painting according to your design preferences. It is suitable for installation in areas exposed to moisture and sunlight.
