Manufacturer: Klemp

Referention number: MD358

Information:

The MD358 skirting board is made from PolyForce material, which is resistant to moisture, UV radiation, and scratches thanks to ScratchShield® technology. Its minimalist profile with subtle decoration allows it to fit seamlessly into various interior styles. The installation channel enables the concealment of wires and masking of the expansion joint. The surface is protected with a primer layer that facilitates painting with water-based paints. It is designed for installation using adhesive.
