Referention number: MD359

Information:

Skirting board MD359 features a minimalist profile with a depth of 1.6 cm, designed for an aesthetic finish where the wall meets the floor. Its simple, geometric shape makes it suitable for modern interiors. Made from PolyForce material, it boasts high resistance to mechanical damage and is fully waterproof. The profiling on the back allows for the concealment of cables and wires. The ScratchShield® technology ensures maximum surface hardening, enhancing scratch resistance. The coating with a smoothing primer makes painting and color matching to your interior decor easier. Installation is done using mounting glue.
