Manufacturer: Klemp

Referention number: MD361

Information:

Skirting Board MD361 features a subtle profile with decorative grooves at the top and bottom. Made from PolyForce material, it is resistant to moisture and UV radiation – it does not swell or yellow. The ScratchShield technology enhances resistance to scratches and mechanical damage. Its slim design (depth of 1.5 cm) makes it suitable for both classic and modern interiors. The internal space allows for the aesthetic concealment of cables. Available in a paintable version as well as a premium variant with a satin finish in a bright white color. Installation is done using mounting adhesive.
