Information:

Premium skirting board MD006P is a finishing profile shaped like an inverted letter "L." Made from PolyForce material, it is resistant to moisture, UV radiation, and mechanical damage. Its minimalist design features no embellishments, making it suitable for various residential and commercial interiors. The ScratchShield® technology enhances scratch resistance. It can be installed over existing skirting boards without the need for removal. Installation is recommended using adhesive. Length: 200 cm, depth: 10.1 cm. It effectively conceals expansion gaps and cables.
