Information:

The Premium skirting board MD020P stands 20 cm tall and is designed for high-ceilinged spaces such as lofts and tenement buildings. Made from moisture-resistant material, it can be used in bathrooms and areas prone to water exposure. The surface is coated with a SupremeSatin finish, offering a silky smoothness and bright white color, eliminating the need for additional painting. The back of the skirting board features holes for aesthetically hiding cables. It can be installed with adhesive, requiring no additional processing. The surface is easy to clean with a damp cloth.
