Information:

The Premium Skirting Board MD032P is designed for interior finishing in heights of 260–270 cm and lower. With a height of 6 cm, it is made from waterproof PolyForce material, resistant to UV radiation and unaffected by moisture—making it ideal for kitchens and bathrooms. The surface is factory-finished with SupremeSatin® lacquer in a snow white color, eliminating the need for painting. The ScratchShield® technology increases scratch resistance by 40% compared to standard skirting boards, ensuring long-lasting aesthetics. The mounting cavity allows for neat and safe cable management.
