Price: **€22.00** gross

Manufacturer: Klemp

Referention number: MD236P

Information:

The Premium MD236P skirting board is designed for an aesthetic finish where walls meet floors, with the ability to mask wires, expansion gaps, and panel joints. Its classic profile is visually universal, making it suitable for both residential and commercial interiors. Made from PolyForce material, it offers high resistance to moisture, deformation, and discoloration—allowing installation in high-humidity areas, such as bathrooms. The ScratchShield® technology enhances surface resistance to scratches. Skirting board dimensions: 200 cm in length, 9.9 cm in height, and 1.3 cm in thickness. Installation does not require specialized tools; it is recommended to use dedicated adhesive for bonding.

Product features

Material	PolyForce
Length	200 cm
