Information:

The Premium MD355P skirting board is designed for an elegant finish at the junction of walls and floors. Its minimalist profile features a smooth surface and gently rounded edge, making it suitable for various interior designs. Made from PolyForce material, it is resistant to moisture, UV radiation, and minor mechanical damage—no yellowing, swelling, or warping occurs. The ScratchShield® technology reinforces the surface, enhancing its scratch resistance. Installation does not require specialized tools—adhesive mounting is recommended.
