### Information:

The Premium MD360P skirting board is designed for a stylish finish at the junction of walls and floors. Its classic profile geometry with subtle detailing adds an elegant touch to any interior. The white surface features a satin finish, making it ready for installation without the need for painting. It is moisture-resistant, allowing for use in areas with increased humidity. With high resistance to mechanical damage, it ensures durability in heavily used spaces. Installation does not require specialized tools - it is recommended to install it using construction adhesive.
