Price: **€41.00** gross

Manufacturer: Klemp

Referention number: QL007P

Information:

The Premium skirting board QL007P is designed for an aesthetic finish at the junction of the wall and floor. Its slender profile, tapering towards the bottom, adds an elegant touch to any interior. The option for LED backlighting allows you to create a subtle lighting effect. Made from PolyForce material, it is resistant to moisture, UV radiation, and mechanical damage. The surface is protected by ScratchShield® technology, enhancing its scratch resistance. The satin coating eliminates the need for painting. It is easy to install using mounting adhesive.

Product features
