Manufacturer: Klemp

Referention number: MD359E

Information:

The MD359E door frame, made from PolyForce material, offers high resistance to mechanical damage, moisture, and UV radiation. The ScratchShield® technology used ensures a hardened surface, protecting it from scratches even in heavily used areas. This product does not yellow or swell, making it suitable for environments exposed to water and sunlight, such as bathrooms and hallways. Finished with a factory primer, it facilitates painting and color matching to your interior style. Its compatibility with the MD359 baseboard allows for a cohesive finish design.
