Price: **€35.00** gross

Manufacturer: Klemp

Referention number: MD110

Information:

The MD110 curtain rail is an "L"-shaped profile with subtle embellishments, designed for elegant interior finishes and LED lighting. Made from durable PolyForce polymer, it is resistant to moisture and UV radiation, making it suitable for installation in high-humidity environments. The LightGuard® technology eliminates the visibility of LED diodes, ensuring even light distribution. The rail is coated with a primer that facilitates painting, allowing it to blend seamlessly with any decor. Installation is done using mounting glue.

Product features
