Price: **€50.00** gross

Manufacturer: Klemp

Referention number: MD156

Information:

The MD156 curtain rail is designed for elegant interior finishes and LED lighting installation. With a profile height of 11 cm and a depth of 14.5 cm, it is ideal for spaces with high ceilings, enhancing their classic style. The LightGuard® technology ensures even light distribution, eliminating the spotlight effect from LED diodes. Made from PolyForce material, it is resistant to moisture and UV radiation, making it suitable for installation in kitchens, bathrooms, laundry rooms, or basements. The factory-applied primer facilitates painting and enhances paint adhesion.
