Price: **€26.00** gross

Manufacturer: Klemp

Referention number: MD024

Information:

The MD024 ceiling strip is made from waterproof PolyForce material, resistant to UV radiation and mechanical damage thanks to ScratchShield technology. It is designed for LED lighting installation, featuring a special space to conceal wires, while LightGuard technology ensures even light distribution without the effect of hot spots. It is coated with a primer and ready for painting. Ideal for use in demanding environments such as bathrooms and kitchens.
