Manufacturer: Klemp

Referention number: MD030

Information:

The MD030 ceiling strip is a multifunctional profile designed for aesthetically illuminating walls and ceilings. The LightGuard technology ensures even dispersion of LED light without the effect of light bleeding through the surface of the strip. The product is resistant to scratches, moisture, and UV rays. The surface is coated with a special protective layer that allows for precise painting without streaks or discoloration. Dimensions: 200 x 8 x 1.7 cm.
