Manufacturer: Klemp

Referention number: MD118

Information:

The MD118 ceiling strip features a modern, elongated profile with subtle beveling, designed for an aesthetic finish in interiors. Made from durable PolyForce polymer, it is resistant to moisture, UV radiation, and mechanical damage. Utilizing LightGuard® technology, it evenly diffuses LED light, eliminating the effect of spot illumination. The surface is primed, making it easy to paint with water-based paints. Suitable for installation in rooms with varying levels of sunlight and humidity.
