Price: **€27.00** gross

Manufacturer: Klemp

Referention number: MD137

Information:

The MD137 ceiling strip is designed for an aesthetic finish at the junction of the wall and ceiling, with the option to use LED lighting. The profile is inspired by classic Roman columns. The LightGuard® technology ensures even light distribution without the effect of LED hotspots. Made from PolyForce material, it is resistant to moisture and UV radiation, making it suitable for high-humidity environments. Specially shaped spaces allow for the concealment of LED strips. The factory-applied primer makes it easy to paint the strip in any color. Installation is done using mounting adhesive.

Product features

Material	PolyForce
Length	200 cm
Width	9,6 cm
Collection	Listwy sufitowe
Depth	5,5 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
Finish	Matowe
Leistenmuster	Gładka
Yellowing Resistant	Tak
Swelling Resistant	Tak
Easy, quick, and clean installation	Tak
Zastosowane technologie	technologia ScratchShield®, technologia LightGuard®
Do nierówności	Nie
For painting	Tak
