Price: **€22.00** gross

Manufacturer: Klemp

Referention number: MD145

Information:

The MD145 ceiling strip is a finishing element with a classic, arching profile featuring a subtle step pattern. With compact dimensions (200 x 6 x 6 cm), it fits seamlessly into various interior designs. Made from durable PolyForce material, it offers resistance to moisture and UV radiation, making it suitable for installation in areas with higher humidity. The LightGuard® technology eliminates the need for aluminum foil, ensuring even distribution of LED light. The surface is primed, making it easy to paint with water-based paints, allowing you to match the color to your interior decor. Installation is done using mounting adhesive.

Product features

Material	PolyForce
