Price: **€37.00** gross

Manufacturer: Klemp

Referention number: MD161

Information:

The MD161 ceiling strip is designed for the aesthetic concealment of curtain rails. Made from dense PolyForce material, it is resistant to mechanical damage, moisture, and UV radiation – it won't yellow even in sunlit rooms. Thanks to LightGuard® technology, it ensures uniform diffusion of LED light without the glare of light points. It can be trimmed and adjusted to fit the dimensions of your window recess. The surface is treated to prevent dust accumulation, making it easy to keep clean. Installation is done with mounting adhesive.

Product features

Material	PolyForce
Length	200 cm
Width	9,2 cm
Collection	Listwy sufitowe
Depth	8,3 cm
