Price: **€15.00** gross

Manufacturer: Klemp

Referention number: MD368

Information:

The MD368 ceiling strip is a finishing profile with the option to incorporate LED lighting. LightGuard® technology eliminates the effect of LED hotspotting, ensuring even light distribution without the need for additional protective film. Made from durable PolyForce material, it is resistant to moisture, UV radiation, and mechanical damage. It can be used in areas exposed to high humidity, such as bathrooms and kitchens.

Product features
