Price: **€62.00** gross

Manufacturer: Klemp

Referention number: QL011

Information:

The QL011 ceiling strip is designed for an aesthetically pleasing finish to the ceiling, with the option to incorporate LED lighting. Its smooth, minimalist profile features LightGuard® technology, which effectively prevents diode light leakage and ensures even light distribution. Made from PolyForce polymer, it is moisture-resistant, UV-resistant, and scratch-resistant. It does not warp due to humidity or yellow from sun exposure. The primer coating facilitates painting and adaptation to interior decor.
