Price: **€39.00** gross

Manufacturer: Klemp

Referention number: QS011

Information:

The QS011 ceiling strip features a subtly rounded profile designed for a sleek finish at the junction of walls and ceilings. Made from durable, waterproof PolyForce material, it is resistant to UV radiation, ensuring it won't yellow or crumble from prolonged exposure to light. The ScratchShield technology enhances its resistance to mechanical damage. With the LightGuard technology, you can incorporate LED lighting, eliminating hot spots and ensuring even light distribution. The surface is coated with a primer that facilitates painting. It can be easily mounted using adhesive, making it suitable for areas with higher humidity levels.
