Manufacturer: Klemp

Referention number: MDA106

Information:

The MDA106 ceiling strip allows for an aesthetic finish at the junction of walls and ceilings. The decorative profile features horizontal grooves and a subtle ornament that adds an elegant touch to any interior. Made from waterproof ProFoam material, it is resistant to UV radiation, ensuring it won't deform in humid rooms or yellow under light exposure. Covered with a smoothing primer layer, it simplifies painting and provides even coverage with paint. It is designed for installation in living rooms, bathrooms, and kitchens, with glue mounting recommended.
