Referention number: MDB100

Information:

The MDB100 ceiling strip is a decorative profile with a gently rounded shape, designed for LED lighting installation. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation, making it suitable for use in areas exposed to water, such as bathrooms or laundry rooms. It features a dedicated space to conceal wires and LED strips, allowing for an aesthetically pleasing ceiling finish. The surface is primed for easy painting in any color. For a uniform light effect, it is recommended to wrap the LED strip in aluminum foil.
