Price: **€93.00** gross

Manufacturer: Klemp

Referention number: MDB130

Information:

The MDB130 ceiling strip features an elongated profile with a distinctive stepped design, ideal for providing an aesthetic finish to the junction between walls and ceilings. Made from a lightweight and durable ProFoam material, it is resistant to moisture and UV radiation. The construction allows for cable concealment, and the factory-applied primer layer makes it easier to paint with water-based paints. It is specifically designed for modern interior designs, especially in spacious rooms. Installation is done using mounting adhesive.

Product features
