Price: **€67.00** gross

Manufacturer: Klemp

Referention number: MDB134

Information:

The MDB134 ceiling strip is a finishing element with a modern inverted stepped profile. Made from lightweight and durable PolyForce material, it boasts high resistance to moisture and UV radiation, preventing deformation and color loss. The design allows for the concealment of cables and imperfections in walls and ceilings. The lightweight ProFoam material makes installation easy, as it does not require specialized tools—just the use of mounting adhesive is sufficient.

Product features

Material	ProFoam
Length	200 cm
