Referention number: MDB135

Information:

The MDB135 ceiling strip is designed for an elegant finish between the wall and ceiling. Its minimalist profile features a subtle groove along the upper edge. Made from lightweight and durable ProFoam material, it is moisture-resistant and UV-resistant, preventing yellowing and allowing for installation in bathrooms and other areas with high humidity. Available in a Flex version, it enables installation on curved and irregular surfaces. Easy installation is achieved using mounting adhesive.
