Manufacturer: Klemp

Referention number: MDB142

Information:

The MDB142 ceiling strip is a finishing element with a concave profile and stepped finish on both sides. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation, preventing yellowing and deformation. Thanks to the factory-applied primer, the surface is ready for painting with water-based paints. Installation using mounting adhesive allows for quick and permanent attachment, even in rooms exposed to high humidity.
