Price: **€108.00** gross

Manufacturer: Klemp

Referention number: MDB155

Information:

The MDB155 ceiling strip features an arch-shaped profile and larger dimensions (200 x 21.6 x 21.6 cm), designed for a stylish finish at the junction of the wall and ceiling. Made from lightweight and durable ProFoam material, it is moisture-resistant and UV-proof—preventing yellowing from sunlight and degradation in humid environments. The primer coating enhances the adhesion of water-based paints, allowing for easy color customization. Installation is done using mounting adhesive applied to the top and side edges of the strip.

Product features

Material	ProFoam
Length	200 cm
Width	21,6 cm
Collection	Listwy sufitowe
