Information:

The MDB164 ceiling strip is designed to provide an elegant finish at the junction of walls and ceilings. Its horizontal profile features a subtle, graduated pattern that creates a three-dimensional effect in interior design. Made from lightweight ProFoam material, it is resistant to moisture and UV radiation, making it suitable for use in high-humidity areas such as bathrooms and kitchens. The surface is primed for easy painting in any color. It offers simple installation using mounting adhesive.
