Information:

The Flex MDB108F ceiling strip provides a stylish finish for the junction between walls and ceilings. Its classic profile, featuring numerous embossments, complements both traditional and modern interiors. Made from flexible FLEX material, it allows for installation on curved surfaces such as columns and pillars. It is resistant to moisture, UV radiation, and minor mechanical damage. Once installed, it can be painted with solvent-free paints. The installation process is intuitive, using the recommended mounting adhesive.
