Price: **€38.00** gross

Manufacturer: Klemp

Referention number: MDB172F

Information:

The Flex MDB172F ceiling strip is designed to elegantly finish the junction between the wall and ceiling in classic and sophisticated arrangements. Thanks to its FLEX properties, it can adapt to surfaces with irregular shapes. Made from durable, moisture-resistant material that withstands UV radiation and minor mechanical damage, it won't yellow, warp, and will maintain its aesthetic appearance for many years. Installation is done using mounting glue, and it requires painting with solvent-free paint.
