Price: **€8.00** gross

Manufacturer: Klemp

Referention number: MD003

Information:

The Wall Strip MD003 is a decorative element with a triangular profile and carvings, designed for finishing wall surfaces in both modern and styled interiors. Made from PolyForce material, it offers high resistance to moisture, UV radiation, and minor mechanical damage. Thanks to ScratchShield® technology, the surface of the strip is additionally hardened and less prone to scratches. The product is protected with a smoothing primer, prepared for water-based paints, allowing for customized color matching. Its dimensions of 200 x 2.2 x 1 cm enable a subtle, aesthetic finish without intruding into the usable space. Installation is possible without the use of specialized tools.

Product features
