Referention number: MD025

Information:

The MD025 wall strip, made from PolyForce material, is highly resistant to water and UV radiation. The ScratchShield® technology hardens the surface, enhancing its resistance to scratches and impacts. The profile features a wide, simple design with a decorative bottom finish, making it suitable for various interiors, including moisture-prone areas. It is designed for LED lighting installation, with space for concealing wires and LED strips. The LightGuard technology ensures even light distribution. A special coating makes painting easier. Dimensions: 200 x 11 x 2.7 cm.
