Information:

The Wall Strip MD255 is a decorative element with a raised profile featuring subtle detailing at the base. Made from PolyForce material, it is resistant to moisture, UV radiation, and mechanical damage. The ScratchShield® technology further strengthens the surface, protecting it from scratches and deformation. The strip is factory-coated with a smoothing primer, allowing it to be painted with water-based paints. It is suitable for use in kitchens, bathrooms, and other areas with high humidity. Installation is done using mounting adhesive.
